

Parent and Teacher Involvement Measure – T

INSTRUCTIONS:

A number of teachers have mentioned to us that their attempts to get parents to be more involved in their child's school life are not as successful with some parents as with others. With that in mind, we would like you to answer the following questions about your relationship with this student's parents and their involvement with the school. Please use a number 2 pencil

0 = Never 1 = Once or Twice a Year 2 = Almost Every Month 3 = Almost Every Week 4 = More Than Once Per Week
