

## Peer Group

In this section you are asked to evaluate the student's friends and acquaintances.

Please check one of the following boxes:

Score:

T\*EA

- |          |   |
|----------|---|
| <u>1</u> | 1. I know the group of people with whom this student associates.  |
| <u>2</u> | 2. I know at least one of the student's best friends.             |
| <u>3</u> | 3. I don't know this student well enough to identify his friends. |
| <u>4</u> | 4. I think this student may have no close friends in school.      |

If you checked box #1, please rate the student's peer group on the following items using the scale below.  
In responding to the items please try to think about the group as a unit without focusing on particular members of the group.

If you checked box #2, please rate this student's best friend using the scale below.

If you checked box #3 or box #4, please skip the rest of this section.

Score:
